Agnieszka Pawłowska

Agnieszka is a photographer from Poland. She is a mother of the children: Natan – 12, Laura – 9 and Natalia - 4. Her journey with photography started when her youngest child was born. From that time, photography became her love and passion, something that she can't imagine her life without. Agnieszka's kids are her greatest inspiration.

Agnieszka is a family photographer. She meets people in very important times of their lives: when they are expecting a baby, when the baby is born and when kids and family are growing bigger and older.

She specializes in fine art, maternity, newborn photography and natural family photo shoots.

A portrait of a young girl with light brown hair styled in two long braids. She has numerous freckles on her face and is looking directly at the camera with a gentle smile. She is wearing a green dress with a white lace collar and cuffs. In her hands, she holds a small green fruit, possibly a pear or apple, with a few leaves still attached. The background is a lush, out-of-focus garden with green leaves and some dried plant matter.

A young girl with long blonde hair and blue eyes stands in a field of tall, dry grass. She is wearing a vibrant red knit beanie, a matching thick scarf, and a long red coat with large buttons. Several autumn leaves are captured in mid-air around her, creating a sense of movement. The background is a soft-focus forest with warm, golden light filtering through the trees.
